

CONSORTIUM PARTNERS

University Consortium

In 1984, the government of British Columbia established the University Consortium to increase access to university courses offered at a distance. The Open Learning Agency was selected to be the central administrative headquarters for the University Consortium. Simon Fraser University (SFU), the University of Victoria (UVic) and the University of British Columbia (UBC) were original members. The current arrangement allows students to register in TRU-OL distance courses delivered by SFU or UVic without having to be admitted to the delivering institution. TRU-OL distance courses delivered by SFU or UVic appear on TRU-OL transcripts and are applicable toward the residency requirements for programs offered through TRU-OL. Students may register through UBC Access Studies for distance courses delivered by UBC (refer to pages 199–200) with special access privileges awarded to TRU-OL program students. Royal Roads University (RRU) and the University of Northern British Columbia (UNBC) are also members of the BC University Consortium. Their courses are not available for registration through TRU-OL. Contact individual institutions for more information.

TRU-OL courses delivered by SFU, as noted in the course section of this calendar, are considered transfer credit to SFU. Refer to www.reg.sfu.ca or contact the Admissions Office, email undergraduate-admissions@sfu.ca or phone 778.782.3224 for more information about transfer credit or applying for admission to SFU.
