

Aboriginal Pathways to Health Careers

From September 2011 to August 2012, TRU offers a 3 semester program that provides students with the courses and skills to enter and succeed in a health career degree or diploma program. This 3 semester program offers small classes and tutor support.

To enter the program:

- High school students require Math 040 and English 050 with a B grade in each course within the past 2 years.
- Mature students and high school students require a recent TRU Accuplacer assessment at a Math 050 and English 060 level

To apply: Call the program coordinator Vicki Holmes 1-250-852-7278 or e-mail vholmes@tru.ca
