Warning: The acceptance of your payment does not constitute or imply approval of your registration for academic purposes at the university. You must complete the appropriate procedures for registration with the Office of the Registrar. The total fees payable will be determined by your academic status as disclosed by you at the time of registration.

This is not a valid receipt for income tax purposes. Income tax certificates will be produced for the taxation year and be mailed by the end of February.

Payments are due according to the dates prescribed in the University Calendar and are the responsibility of the student. All payments made by mail or by bank are credited to your account as of the date received in the Campus Cashier Office.

SERVICE CHARGES WILL APPLY to all balances outstanding after the payment due date in each term. See the appropriate University Calendar section for Financial Regulations and Policies.
