POLICY

This policy does not apply to the Open Learning Division of Thompson Rivers University.

Attendance in class is accepted as a key element in academic success of courses. Thompson Rivers University (TRU) Policy ED 3-1 Student Attendance supports this.

Students are not permitted to schedule lecture sections of courses that conflict without written approval of the instructor of each course. Laboratory and seminar sections that conflict with other courses may be scheduled and must be resolved by the last day to add a course. Should a student register with a conflict, the student may be required to withdraw from the course.
