IMPORTANT NOTES

- *This file is an important document designed to assist you in your academic planning and tracking.*
 - *As programs change over time, this version is what you need to complete for graduation.*
 - *When meeting with advisors, this form will be a requested document. Please keep it updated.*

GETTING STARTED

If you have little experience with computers, take a few of our introductory computer courses (COMP 1010-1080) to familiarize yourself with Microsoft application software as there is no computing course designated in the Tourism Management Diplomas. These courses can be bundled as an elective within the program (with a total credit value of 3).

CURRICULUM & REGISTRATION

The Resort & Hotel, Events & Conventions, and Sport Event Management Diplomas are available for fall semester intakes. Students are not encouraged to apply for a winter start as course availabilities and prerequisites will not transition well, most often resulting in course conflicts and an additional semester of study.

Registration is automatically generated due to the prescribed nature of the curriculum. In areas in which there is an option in your program, you will be contacted to state your preference. If you are studying part-time, or starting in a semester other than fall, you will be involved in planning and registering for your courses, as the standard schedule will not apply to you.

It is your responsibility to check over your course registration to ensure that you are meeting your program requirements and to make changes where necessary. Some courses have prerequisites that you will need to meet in order to progress to the next level. Do your best in every class that you have to complete the diploma in a two year time frame!

ADVANCE CREDITS

- Students that have Tourism 11 and 12 will receive credit for TMGT 1110 (currently under review).
- Should you meet the requirements to receive exemption from MATH 1100, you will be required to make up the 3 credit with an elective of your choice.
- Transfer credits can be granted on course work from other institutions up to a maximum of 30 credits. To initiate a transfer credit assessment, contact the Admissions department.
- Prior Learning Assessment is a process that assesses knowledge and skills to grant credit for non-academic learning that has taken place. http://www.tru.ca/prior_learning.html

GENERAL

All students have the option to pursue Global Competency, a program that allows students to earn formal recognition for their intercultural and international experiences: <http://www.tru.ca/global.html>

You are able to ladder your completed diploma into the Bachelor of Tourism Management. To do this, you must apply to the BTM. You will receive credit for all your diploma level courses, beginning the BTM with third year standing.

Academic advising is available to assist you in making informed decisions that will enhance your educational experience. Advising is mandatory for 3rd and 4th year Canadian students and all International students for course planning/approvals (not to be confused with registration). To learn about timetables & registration, tutorials are available at the following site: <http://www.tru.ca/advising/onlinehelp.html>. The podcasts are also very informative.

Program currently under review – courses and prerequisites may be subject to change

SPORT EVENT MANAGEMENT DIPLOMA

Student Program Plan 2012-2013

Program currently under review – courses and prerequisites may be subject to change
