COURSE PLANNING, APPROVALS & REGISTRATION

Students in the Tourism Management Diploma are responsible for planning and registering in their own courses for the duration of this program. The following program plan does provide a suggested sequencing that may assist you in this process.

Academic advising is available to assist you in making informed decisions that will enhance your educational experience. Advising is mandatory for 3rd and 4th year Canadian students and all International students for course planning/approvals (not to be confused with registration). To learn about timetables & registration, tutorials are available at the following site: <http://www.tru.ca/advising/onlinehelp.html>. The podcasts are also very informative.
