STATEMENT OF INTEREST

The statement of interest should be no more than 750 words. You may print your statement on a separate page and submit along with this application or submit under separate cover. The purpose of the statement of interest is to provide the Admissions Committee with additional information about you that will be used in assessing your application.

Among other things, the Admissions Committee is interested in finding out the following:

- What led you to make the decision to apply to law school?
- What you would like to do with your law degree?
- Why you are interested in the Faculty of Law at Thompson Rivers University in particular?
- Why you have made previous academic or other choices and how they have affected your decision to apply to law school?

This is a place for you to show us who you are, and what makes you of particular interest to the Faculty of Law at Thompson Rivers University. It is also an opportunity for you to demonstrate your personality, your maturity and that you understand the nature of the decision that you are making in choosing to come to the Faculty of Law at Thompson Rivers University.

The members of the Admissions Committee consider the Statement of Interest in the context of the rest of your application. Therefore it is useful for you to discuss how the experiences you have listed elsewhere on your application are relevant to your desire to attend law school.

REFERENCES

Applicants should provide two letters of reference, one of which should be from a university professor or another academic source. We consider academic letters of reference to be very important in our consideration of your application. If you are unable to provide us with an academic letter of reference, please explain your reasons and include this explanation with your application. Non-academic letters of reference must be from someone who has had interactions with you in a professional capacity, such as an employer or an individual with an organization for which you have volunteered. Personal letters of reference, particularly from friends or family, are not helpful to the Admissions Committee and will not assist you in your application. All letters of reference must be received by or post-marked no later than **February 10, 2022**.

Under the Freedom of Information and Protection of Privacy Act and its regulations, applicants may submit a formal request to the University to view letters of reference that we have placed in your application file. In other words, letters of reference are not confidential. You must inform your referees of this fact at the time you request them to provide us with letters of reference. If an applicant makes a formal request to see a letter of reference, the university will contact the referee to ensure that he or she was aware of the lack of confidentiality of the letter of reference. We will not release letters of reference to anyone outside the Faculty of Law, other than an applicant who makes a formal request to see it.

Please first confirm with your referees that they agree to provide a letter before listing their names below.
If you change your referees, please advise us by sending an email to lawadmissions@tru.ca.
