# TRU. A CAMPUS UNLIKE ANY OTHER

At Thompson Rivers University, we provide quality education and strive for excellence while ensuring our students get the support they need to succeed. We welcome all people and cultures, and promote intercultural understanding.

TRU offers more than 140 on-campus programs and more than 60 Open Learning programs in areas such as arts, business, computer science, education, environment, law, nursing, sciences, social work, tourism and trades and technology. Our average class size is 31 students.

A vibrant community of more than 14,000 students studying on campus are working towards graduate and undergraduate degrees, diplomas, apprenticeships, professional certificates, continuing studies and English for Academic Purposes (EAP). We have more than 3,300 international students from over 100 countries. Wherever you are from, we can help you follow your passion at TRU.

## TRU Offers:

- Juris Doctor
- Master's degrees
- Graduate certificates
- Post-Baccalaureate diplomas
- Bachelor's degrees
- Certificates and diplomas
- Associate degrees
- English for Academic Purposes (EAP)
- Short-term customized training programs
- University preparation

As a university located in the city known as the Tournament Capital of Canada, TRU has thriving sports programs and students have access to amazing fitness facilities like the Tournament Capital Centre (TCC), Olympic-length swimming pool and a FIFA-certified artificial turf field.

TRU has always had a strong international contingent of student athletes. Countries represented include athletes from England, Spain, Australia, Netherlands, Portugal and Trinidad and Tobago.

# KAMLOOPS. A UNIQUE LOCATION

Our picturesque campus is in the heart of Kamloops, British Columbia, where it overlooks the meeting of the North and South Thompson rivers. Kamloops is home to 100,000 friendly residents and is rich with sporting and cultural events, and boasts four beautiful, changing seasons to enjoy outdoor adventures.

This region is part of the traditional lands of the Tk'emlúps te Secwépemc Indigenous people and spans grasslands, pine forests, lakes and mountains. Their presence and history contributes to the diversity that influences TRU's campus.

You'll discover parks, museums, art galleries, year-round outdoor activities, shopping, movies, theatre, vineyards and BC's second largest ski resort. Kamloops is also home to numerous churches, a mosque, Sikh temples and a Buddhist temple.

# SPORTS, RECREATION & ACTIVITIES

TRU's Kamloops campus is right next to the City of Kamloops' top-notch athletic facilities in the Tournament Capital Centre (TCC) sports complex, where there's an Olympic-length swimming pool, indoor and outdoor tracks and numerous recreation spaces. Access to TCC's Aquatic Centre is included in TRU's student fees and all TRU students receive 50% off additional usage fees.

## Varsity athletics

The WolfPack have nine teams: seven of them compete in USPORTS/Canada West which is the highest level of university sports in Canada. Those sports are men's and women's soccer, men's and women's volleyball, men's and women's basketball along with co-ed swimming.

The other two club sports are cheerleading and baseball.

TRU has always had a strong international contingent of student-athletes. Countries represented in the past include athletes from England, Spain, Australia, Netherlands, Portugal along with Trinidad and Tobago.

For more information, visit [gowolfpack.ca](http://gowolfpack.ca)

## Intramural sports

TRU Recreation offers non-competitive intramural and drop-in games of badminton, basketball, dodgeball, floor hockey, soccer and volleyball, as well as various fitness classes, events and tournaments.

[tru.ca/recreation](http://tru.ca/recreation)

## Off-campus sports

Kamloops, the Tournament Capital of Canada, has top-level coaching and club competition in many different sports including figure skating, football, gymnastics, rowing, rugby, swimming and skiing. Students interested in competitive/club sports can attend TRU while pursuing their sport off campus.

## Explore BC with LEAP

The Leisure Exploration Activity Program (LEAP) provides students with educational, fun and exciting experiences each semester for a nominal fee. This is a great way to meet new people, explore the area, experience local culture and try new activities such as:

- camping
- canoeing/kayaking
- curling
- day trips to Vancouver
- ice skating
- ice hockey
- rock climbing
- seasonal parties
- skiing/snowboarding
- whitewater rafting
- wine tours

# WORK OPTIONS FOR INTERNATIONAL STUDENTS

## Work during your studies

International students are eligible to work on and off campus while studying full-time, and qualify for a full-time work permit after graduation. You can work up to 20 hours a week while studying and full-time during scheduled breaks.

Find out about opportunities for international students at [cic.gc.ca/english/study/work.asp](http://cic.gc.ca/english/study/work.asp)

## Jumpstart your career

The Career & Experiential Learning department helps students plan their careers from building a professional resumé to getting selected for the job interview. These career counsellors have years of experience and are committed to supporting students in reaching their career goals through a variety of initiatives including on-campus job fairs and seminars.

## Work after graduation

As an international student graduating from a Canadian post-secondary institution, you are eligible to remain in Canada to work. Students completing a minimum two-year program of study may be eligible to work for up to three years after graduation.

Many of our international graduates have successfully found jobs in Canada in their area of study. Companies that hire TRU graduates include banks, Crown corporations, major retailers, municipal governments, non-profits and universities (including TRU).

# CO-OPERATIVE EDUCATION

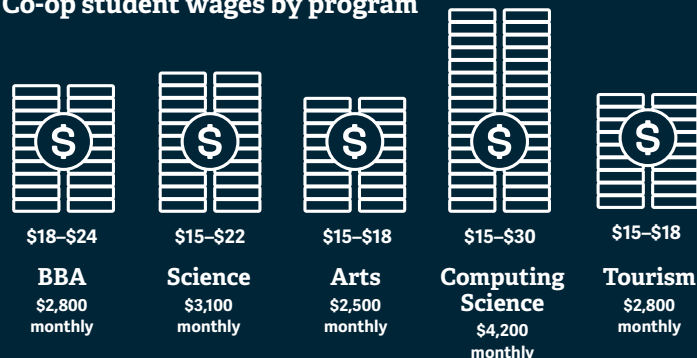

Co-operative education combines academic studies with paid work experience. Students alternate between terms of full-time study and full-time employment.

## Why co-op?

- Get paid for career-related work experience while studying
- Earn academic credits and transcript distinction
- Maximize job opportunities upon graduation
- Choose from co-op placements in Kamloops and across Canada
- TRU co-op office prepares students for interviews and job placements
- Choose to work up to four semesters

**!** Students can receive academic credit for co-op work terms.

## Homestay: Live with a Canadian family

Managed by TRU World staff, TRU's homestay program is a great way to experience Canadian culture and practice English by living with local families or individuals. More than 450 carefully selected Canadian homestay providers are in this program. Students get a private, furnished bedroom, three meals a day (and snacks) and a chance to live as part of a Canadian family while sharing their own culture.

Cost is approximately \$1000 CAD per month, including meals.

# WILLIAMS LAKE CAMPUS

Williams Lake is a long-time ranching and farming community with an economy based on area resources such as forestry and mining. TRU Williams Lake has the only ranching program in BC, which focuses on regenerative agriculture.

In Williams Lake, the cost of living is affordable and people know their neighbours. Williams Lake has an expanding hospital and extended-care homes, so there is a demand for university-trained healthcare workers.

The campus boasts small class sizes, usually between 15 and 20 students, depending on the program. There are benefits to such an intimate educational setting — faculty get to know their students and the campus is safe, friendly and close knit.

TRU Williams Lake is located in a residential area and there is housing within walking distance of campus.

For more information, visit [tru.ca/williamslake](https://tru.ca/williamslake)

## DISTANCE EDUCATION

### Learn wherever you are

As BC's leading online and distance education provider, TRU Open Learning offers over 60 programs and 500 courses. More than 17,000 TRU students study online or by distance.

You can complete some courses before you arrive to study on campus, saving you time and money.

While on campus, you can take blended studies combining in-class and online Open Learning courses. This allows you to maintain a flexible schedule while still getting credit for courses that count toward your full degree.

Get the details at [truopen.ca](https://truopen.ca)

### Applied Sustainable Ranching Diploma

Growing up in Ghana, West Africa, I saw an opportunity for agriculture to raise the population's standard of living. Seeking an effective approach to making a difference in the world, I've completed my first year of TRU's Applied Sustainable Ranching two-year program and already feel confident managing a farm.

# RESEARCH AT TRU

As one of six members of the Research Universities' Council of British Columbia, TRU is committed to distinguishing itself among BC's research leaders. We support efforts to achieve excellence with research facilities, internal funding, research chairs, knowledge mobilization resources and student research.

Research at TRU is making a difference. Many of our most important research discoveries stem from community-based research questions that result in real-life solutions with immediate and far-reaching impact. They influence policy, enrich culture, improve programs and build more vibrant cities. Our faculty are engaged in training the next generation of world-class researchers at both the graduate and undergraduate level.

Courses are offered monthly throughout the year. Take five courses and get the sixth one for free.

# INTERNATIONAL PARTNERSHIPS

TRU's transnational education and study abroad programs offer students unique and exciting ways to gain global experience and earn TRU credits with a wide range of partner institutions.

## TRANSNATIONAL PROGRAMS

### Take a TRU program at your home institution

TRU works with partner institutions to deliver our programs in partners' home countries. Over 700 students are currently enrolled in TRU adventure, business and computing science programs in China, Iceland and India.

### Articulation Program

#### Transfer your credits towards a degree at TRU

Students can transfer credits earned at partner institutions towards TRU arts, business, computing science, education, science, technology and tourism programs.

### Pathway Program

#### Transition from preparatory studies to TRU

TRU partners with high schools and English language schools in Canada and abroad so qualified students can complete their preparatory studies, then transition to university studies at TRU.

### Visiting Student Program

#### Take part of your program in Canada for credits

TRU has partnered with other institutions worldwide to offer a Visiting Student Program which provides students with a study opportunity in Canada. All courses taken at TRU will be counted towards university credits at the student's home institution, based on the agreement between TRU and the partner institution. Students will receive a certificate of completion at TRU and academic electives completed are eligible to receive credits from TRU.

### Expand your studies at TRU

Don't be limited to just completing your degree in Canada. Expand your experience by participating in one of TRU's many international mobility opportunities.

### Student Exchange

International students may choose from a list of partner institutions to study for one or two semesters in another country. Tuition is paid to TRU and credits are applied towards your TRU degree.

### Short-Term Summer Exchange Programs

If you're not sure about a full semester abroad, consider an all inclusive two- to four-week short-term summer program with a partner institution. All while earning credit towards your TRU degree.

### International Field Schools

TRU provides a range of exciting and specialized faculty-led field schools, taking learning beyond the classroom and earning credits while exploring the world.

**Visual Arts Diploma**

Choosing TRU to take the visual arts program has been one of the best decisions I've ever made. It offers academic resources, facilities and the support I need as I learn more about arts and media. I've also met friends from different parts of the world and got to learn so much about multicultural diversity, which in my opinion is what makes TRU one of a kind!"

**JOLLAN ESPINA**

**Master of Business  
Administration**

I'd like to launch my own start-up in the near future and I'm confident TRU's MBA program will help me reach this goal. The MBA faculty are highly skilled, and the program has supplied me with the academic background, experience and leadership skills to succeed in our ever-changing world."

**MARIO REYES CASTRO**  
MEXICO

**Bachelor of Business Administration, Economics**

I came to TRU for a degree but got so much more. I made amazing friends in a picturesque city, worked on a United Nations agency project, got involved with student governance and was a student club leader. TRU offers unparalleled resources and services for its students to thrive."

# INTERNATIONAL ACCREDITATIONS AND TRANSFER CREDIT

## International Baccalaureate (IB)

The IB diploma is accepted for admission to TRU. Transfer credit will be granted for higher level courses completed with a score of 5 or higher. Students have the option to decline the transfer credit if they wish to complete the course(s) at the university.

To transfer credits to arts, business or science, you must have:

- Official IB transcript (sent to International Admissions office directly from the testing centre)
- Higher learning courses only
- Grade of 5, 6 or 7

## Advanced Placement (AP)

AP exams will be accepted for admission to TRU. Official transcripts must be provided from the College Board. To transfer credits you must have:

- Official AP transcript
- Grade of 4 or 5

## General Certificate of Educational Studies (GCE)

Students completing their GCE will be considered for admission based on different factors. For admission to TRU you will need:

- A minimum of two Advanced (A) level courses and two Advanced Subsidiary (AS) level courses or
- A minimum of two A-level courses and three Ordinary (O) level subjects
- Completion of O levels (university preparation courses will need to be completed at TRU)
- Math and English A Level completion is required. Otherwise University Preparation or upgrade will be required where applicable.

## GCE Advanced level (A-level exams)

Transfer credit to arts, science, or business programs are available for approved A-level courses with a passing grade of A or B. To transfer credits, you must provide official GCE transcripts of A-level courses.

## General Education Development (GED) test

GED is an accepted high-school equivalent for admission to TRU under the following conditions:

- Must be at least 17 years of age
- Will need IELTS score
- Will need to take Accuplacer math assessment at TRU

## Transfer credit

If you have completed courses at another recognized post-secondary institution, you may be able to transfer those courses to TRU. You will need to indicate your intention to apply for transfer credits on your application form. You must provide original transcripts or attested copies from the respective Registrar and course outlines (syllabus) at least four months prior to your arrival at TRU, otherwise you may not be eligible for transfer credit in your first semester. Transcripts and course outlines must be officially translated into English.

# ENGLISH LANGUAGE UPGRADES AND U-PREP

TRU offers English for Academic Purposes (EAP) and University preparation (U-prep). Our EAP program provides quality language training for students who plan to go on to post-secondary study, focusing on English for academic purposes.

Each of the five levels of TRU's EAP program take one semester to complete. Students with no official test score will take an English Placement Test (EPT) upon arrival at TRU and will be placed in the appropriate level of English language study as indicated in the chart below. Students with an official test score can enter EAP or academic courses without taking the TRU EPT. Please refer to the chart for entry levels.

**Note:** To secure registration for the courses you need, please submit your English test scores two months before arriving at TRU.

## Academic requirements

- Secondary school completion (high school graduation)
- Transcripts from all previous post-secondary institutions (if applicable)
- Other requirements vary by program
- For detailed requirements, please refer to pages 24–36
- For English requirements and exemptions, go to [tru.ca/englishrequirements](http://tru.ca/englishrequirements)

## The TRU EAP Advantage

1. English Placement Test (EPT) available
2. IELTS and TOEFL scores are accepted
3. Academic EAP designed for university preparation
4. Can combine EAP and academic courses for credit in Levels 4 and 5
5. 20 hours of classroom instruction per week
6. Language labs and activities

We accept more test results, for more details visit [tru.ca/eap](http://tru.ca/eap)

## Bachelor of Computing Science

Explore a career in the technology industry—software and hardware design, system architecture, operating system structure and modeling and simulation. The BCS degree consists of two years of general study followed by two years of concentrated computing studies. Double degree option with Business Administration is available.

[tru.ca/compsci](http://tru.ca/compsci)

- All English 12 (73%), or IELTS 6.5, or equivalent
- Pre-Calculus 12 or Math 12 (67%), or equivalent

- Discrete Structures
- Computer Network Security
- Software Engineering
- Advanced Web Design and Programming
- Artificial Intelligence

- Web, Design, and Integration Developer
- Project Manager
- Mobile Application Developer
- Computer Programmer

## Bachelor of Science

Enjoy both depth and breadth in your science education. The rigorous BSc program offers opportunities for practical experience, co-op, undergraduate research and mentorship by internationally recognized faculty researchers across a spectrum of disciplines.

**Majors:** Animal Biology, Biology, Cellular, Chemical Biology, Chemistry, Computing Science, Computing Science & Mathematics, Data Science, Ecology & Environmental Biology, Environmental Chemistry, General Science, Mathematics, Mathematics & Economics, Molecular & Microbial Biology, Physics, Pre-professional Health Science

**Minors:** Environmental Economics & Sustainability, Management

[tru.ca/bsc](http://tru.ca/bsc)

- All English 12 (73%), or IELTS 6.5, or equivalent
- Pre-Calculus 12 (67%), or equivalent
- Biology 11 or 12 (67%), or equivalent. Not required for majors in computing, math, or physics.
- Chemistry 11 or 12, or equivalent
- Physics 11 or 12, or equivalent

*Upgrading available while in the program*

- Cell Biology
- Inorganic Chemistry
- Numerical Analysis
- Relativity and Quanta
- Sustainable Economic Development

- Lab Technologist
- Computing Analyst
- Project Manager
- Scientific Writer
- Technical Manager

## Bachelor of Engineering in Software Engineering

If you want to be a professional with the technical knowledge and skills to design, develop, test and maintain problem-solving software by applying systematic engineering principles, a software engineering degree is the right choice. Join the fastest growing and in-demand profession to be part of teams producing software-enabled products of high technical complexity.

- Physics 11 (67%), or equivalent

*Limited seats*

- Software Engineering Design: Process & Principles
- Software Design Pattern
- Software Quality Engineering

- Software Application Development
- Software Testing
- Software Design
- Database Management
- Network Management and Operations
- Security Analysis and Protection

## Bachelor of Natural Resource Science

Gain a broad and in-depth understanding of natural resources, including not only biology, ecology and scientific method, but sector-specific resource management for forestry, fisheries, range and recreation. The BNRS program provides hands-on learning in the field and opportunities for undergraduate research and study abroad.

**Minor:** Environmental Economics & Sustainable Development

### Transcripts and documents

- Submit all required supporting documents including proof of language proficiencies.
- Current high school students, submit final grade 11 and interim grade 12 transcripts.
- Submit transcripts from all previous post-secondary institutions (if applicable).
- Original transcripts must be provided **before your arrival at TRU**, otherwise you will not be allowed to register for courses at TRU.

### Application fee

A non-refundable application fee of \$100 CAD must accompany your application.

### TRU Refund Rules

Students should familiarize themselves with TRU's refund rules prior to submitting payment for their studies. All new international applicants to TRU should be aware that their first semester tuition fees are non-refundable and non-transferable. After receiving the Letter of Acceptance the applicant is expected to begin their studies at TRU.

Students withdrawing due to a failure to obtain a student permit prior to arrival at TRU will be entitled to a full refund of tuition and general fees invoiced less a \$200 CAD administration fee. Students must notify TRU in writing and provide documentation prior to the start of the semester. Processing time may take up to eight weeks.

New students who wish to defer the start of their first semester of study to a future semester may do so only once and up to a maximum of one calendar year.

## 3 Next steps

**Processing:** completed applications will normally be processed within 10-15 business days.

**Offer letter:** TRU will send a pre-acceptance letter indicating (a) the program to which you have been accepted (b) any conditions of your acceptance.

**Payment:** you should submit the required fees as outlined in your pre-acceptance letter, through PayMyTuition.

**Final acceptance:** upon receiving your transcripts, and payment of tuition and general fees, TRU will send an official letter of acceptance.

**Student visa:** use your official TRU letter of acceptance to apply to the nearest Canadian Embassy or consulate for a student visa.

**Housing:** either make arrangements with the accommodation directly or use the TRU World service to secure your room. Students must pay a \$150 CAD accommodation application fee when using the service through TRU World. Visit **truworld.ca/housing** to apply.

**Airport pickup:** airport pickup is available only at the Kamloops Airport. Additional charges may apply.
