

Ali MULJI

GOVERNOR

My name is **Ali Mulji** and I am a first year Faculty of Law student running to be your next Governor. Being a Thompson Rivers University Governor demands having the courage and confidence to stand up for our peers. I believe that I'm the best candidate for this position because I'm not afraid of standing up for what I believe in and for what students want.

Student governance is my passion. I have previously served as a Senator at Ryerson University and as well as the Faculty Representative at the Ryerson Student Union. During my term in office, I implemented strategy and policy for the Ryerson Student's Union, representing over 40,000 students, and managed a fiscal budget of over \$35 million dollars. In addition, I served as chairman for various committees including Student Groups, Course Unions and Business Faculty. I believe that my past leadership roles will allow me to be a great advocate for students and to ensure not only that their voices are heard but that actual changes are made.

As a member of the Board of Governors, I will advocate for increased transparency, build a strong student-faculty relationship and offer suggestions for policies revolving around student needs. Most importantly, I want to ensure your ideas are not only heard but implemented. I am certain that I can make a difference, and that we can help this campus evolve through greater partnerships and innovation. Lastly, I will use my role to promote and advocate for an inclusive Board of Governors which is representative of the entire university, considering all races, genders, sexualities and cultures.

I look forward to serving as your next Governor and together we will UNIFY Thompson Rivers University!
