

Welcome to Thompson Rivers University! If you are reading this email it means you have registered for classes at TRU for the 2017 winter semester.

All TRU students receive a Campus Card. This card is your TRU Photo Identification and it provides you with some [excellent perks!](#)

There are 2 ways to get your Campus Card:

- [Send your selfie](#) or
- Visit the Campus Card booth in the Campus Activity Centre when you arrive on campus

To avoid lineups during the first week of classes we recommend sending in your selfie now so you can just pick up your card (at the TRU Bookstore) when you arrive on campus.

Go to the [TRU Campus Card page](#) for more information and make sure you read through the [Cardholder Agreement](#) so you know how it all works.
