

Math and Stat Help Centre

Fall 2020

- The Math and Stats Help Centre is a free service for students that is staffed by mathematics and statistics faculty and upper-level students.
- It is open to students taking any TRU course that involves mathematics or statistics, but is most useful for UEPREP and first-year level courses.
- Tutors may be accessed on *Moodle*. The course is titled ***Mathematics and Statistics Help Centre S201*** and the enrollment key is **S201**.
