

TRU 2021

CAMPUS VISIT GUIDELINES

We're excited to welcome you to our TRU campus--in person! To ensure the health and safety of the TRU community and our visitors, we have put in place the following measures based on the provincial health directives:

- Prior to arriving on campus, all guests should complete the self-assessment checklist. If you are experiencing symptoms, please email us at futurestudents@tru.ca and we will be happy to reschedule your visit!
- All guests must practice safe physical distancing of two metres (six feet) from others (unless in the same family).
- Face coverings are required in all indoor spaces and outdoor spaces where physical distancing cannot be maintained.
- Please follow all signage and notices posted on campus.
- Tours are limited to 25 guests, unless otherwise posted.

Facial Coverings & Hygiene

All guests are required to bring their own facial coverings to wear for their campus visit. Your TRU Future Students Tour Guide will also be wearing a mask!

Facial coverings are required in all indoor spaces and outdoor spaces where safe physical distancing cannot be maintained.

We also encourage all guests to wash their hands regularly and/or use hand sanitizer.

On the Day of Your Visit

On the day of your campus tour, please arrive no more than 10 minutes prior to your scheduled tour time. You can find a map of campus at tru.ca/map.

If any guests need accommodations due to medical conditions, deafness or hearing loss, or religious observances, please let us know so we can best support you during your visit to your campus.

Self-Assessment Checklist

Please complete this check list prior to your campus visit:

- Have you travelled outside of Canada within the last 14 days?
- Have you been identified by Public Health as a close contact of someone with COVID-19?
- Have you been told to isolate by Public Health?

Are you displaying any of the following new or worsening symptoms:

- Fever or chills
- Cough
- Loss of sense of smell or taste
- Difficultly breathing
- Sore throat
- Loss of appetite
- Extreme fatigue or tiredness
- Headache
- Body aches
- Nausea or vomiting
- Diarrhea

If you answer 'yes' to any of the above, please return home and complete the BC COVID-19 Self Assessment at bc.thrive.health and call 8-1-1 if you'd like to discuss your results.
