PACK ACADEMIC EDGE (PACE)

WINTER 2019 – Monday nights from 4:00-8:30 in HL 269

Are you a first-year student athlete? Take advantage of the Pack ACademic Edge (PACE) program.

PACE provides academic support in an informal study session led by upper-year athletes — providing the opportunity to study casually with peers yet with a planned and strategic approach. Get coaching on learning strategies, improve your study habits and learn about on campus resources. Student athletes are encouraged to attend every Monday night.

The PACE program is sure to keep you on track and motivated throughout the semester as you balance your athletic and academic commitments.
