

U-REAP STUDENT EXIT SURVEY FORM

This form should be completed by the undergraduate research scholar

Please note: Your responses will be treated as confidential (except where findings are reported in the aggregate) and will be used to improve the program for future scholars. Thank you.

The Exit Survey must be completed along with the final research project **PRIOR** to the final release of funds. Please complete and forward to the Office of Research and Graduate Studies, CT225 or email to research@tru.ca

U-REAP Scholar Name: _____ Student ID # _____

Email: _____

Faculty Supervisor: _____

1. Title of Project:

2. Title of presentation, academic poster/installation or other project outcome for spring undergraduate research conference (if different from above).

3. Name community/research stakeholders who you engaged with:

4. List 1-3 things you learned as a result of participating in this research project (what were the main learning outcomes for you as a student)?

5. What was a highlight of the experience for you?

6. What, if any, challenges did you encounter and/or what might you do differently next time?

7. How has being a U-REAP scholar facilitated:
 - a) your studies at TRU
 - b) your career goals

8. Was the timing of the scholarship appropriate for you to conduct your research? (i.e. winter/spring semester)

9. Additional comments?
