Notes

Course list validation: Deans and Chairs will be asked to confirm the course lists and course instructors. IPE uses the dean-approved list to administer the surveys and place the links to course-specific surveys in student MyTRU accounts. **Any changes to instructor assignments after the course list approval deadline will need to be communicated directly to IPE by the dean's office.**

Course evaluation period: Faculty members will be provided, via TRU email, with a password to unlock the survey prior to the evaluation period. Regular semester-based courses survey links will be available via student MyTRU accounts. **For courses that do not follow the regular schedule, dean's offices will contact IPE to make alternate arrangements.**

Reporting: Evaluation results will not be available until final grades are submitted for the course.
