Each host family we select will provide you with a supportive and comfortable living environment. In Canada, a family unit exists in many forms. Over 50% of the families are one-parent families. Some hosts will be single males, single females, or young or elderly couples. Some will have children, others will not. You may be placed at a family with a student from a different country. Public transportation might be required to get to TRU. We will try to accommodate your preferences, but we may not always be able to do so. Please indicate all your preferences of host family below:

#### **AGREEMENT**

Thompson Rivers University (TRU) will make every effort to match a student with the most appropriate host family. However, TRU cannot guarantee a perfect match or that the placement will meet all the requirements of the student and the host family.

- I have read and understand the Accommodation / Homestay Information\* and I agree to carry out my responsibilities as stated.
- I agree to accept and abide by all the rules and regulations instituted by TRU and the host family.
- If I decide to leave the home, I am required to give 30 days written notice or 30 days homestay fee in lieu of notice. I will lose my security deposit if I leave my host family without sufficient notice.
- I agree to pay for any unpaid homestay fees, damages or other expenses incurred by me, for which I am responsible and have not reimbursed the host family.
- I agree the host family shall have reasonable access to my room, although usually carried out in my presence.
- I give permission to TRU to give this homestay application to my host family as my personal profile.
- I agree to acquire complete medical insurance coverage. It is also my own responsibility to insure my personal belongings. TRU and the host family cannot assume responsibility for expenses incurred from my sickness or other liabilities including those arising from my stay in the home of the host family.
