\*LPI, a provincially recognized assessment, is available for a fee from the University of British Columbia (UBC)'s Applied Research and Evaluation Services. For more information click [here](#).

\*\*A student must meet or exceed the required level on all aspects to be at any specific level (e.g. Direct entry students must have 88+ and all sections at least 20). When sub-scores are used, a good mark in one area will not compensate for a poor mark in another. If a student does not meet the requirements for direct entry, it is recommended that they write the TRU placement test to determine the appropriate placement for them in ESAL. If all of their scores, subtests and overall standing, place them at, for example Level 4, it is recommended that they do the TRU placement test to determine their courses; however they will not be placed below Level 4 (or whichever level their initial scores place them).
