KAMLOOPS. A UNIQUE LOCATION

Our picturesque campus is in the heart of Kamloops, BC, where it overlooks the meeting of the North and South Thompson rivers. Kamloops is home to 100,000 friendly residents and is rich with sporting and cultural events as well as boasting four seasons of outdoor adventures.

This region is part of the traditional lands of the Tk'emlúps te Secwépemc Indigenous people and spans grasslands, pine forests, lakes and mountains. Their presence and history contributes to the diversity that influences TRU’s campus.

You’ll discover parks, museums, art galleries, year-round outdoor activities, shopping, movies, theatre and even vineyards. Kamloops is also home to numerous churches, a mosque, Sikh temples and a Buddhist monastery.

SPORTS, RECREATION & ACTIVITIES

TRU’s Kamloops campus is right next to the City of Kamloops’ top-notch athletic facilities in the Tournament Capital Centre (TCC) sports complex, where there’s an Olympic-length swimming pool, indoor and outdoor tracks and numerous recreation spaces. Access to TCC’s Aquatic Centre is included in TRU’s student fees and all TRU students receive 50% off additional usage fees.

Off-campus sports

Kamloops, the Tournament Capital of Canada, has top-level coaching and club competition in many different sports including figure skating, football, gymnastics, rowing, rugby, swimming and skiing. Students interested in competitive/club sports can attend TRU while pursuing their sport off campus.

Varsity athletics

The WolfPack have nine teams: seven of them compete in USPORTS/Canada West which is the highest level of university sports in Canada. Those sports are men’s and women’s soccer, men’s and women’s volleyball, men’s and women’s basketball along with co-ed swimming.

The other two varsity sports are cheerleading and baseball. For the second straight year, cheers “Team Black” won a berth to the 2021 ESPN International Cheerleading championships in Orlando, Florida.

TRU has always had a strong international contingent of student athletes. Countries represented this past season include athletes from England, Spain, Australia, Netherlands, Portugal along with Trinidad and Tobago.

For more information contact the individual coaches. Their email addresses are found on the athletics website: gowolfpack.ca

Intramural Sports

CO-OPERATIVE EDUCATION

Co-operative education combines academic studies with paid work experience. Students alternate between terms of full-time study and full-time employment.

Why co-op?

- Get paid for career-related work experience while studying
- Earn academic credits and transcript distinction
- Maximize job opportunities upon graduation
- Choose from co-op placements in Kamloops and across Canada
- TRU co-op office prepares students for interviews and job placements
- Choose to work up to four semesters

Students can receive academic credit for co-op work terms.

Bachelor of Business Administration

Co-op helped me gain relevant skills before graduation, and I received an immense amount of experience in my eight months working for TRU World. TRU’s Career Education Department provided resources to help me build a career plan. I would recommend every new student visit the department for any career-related services.
GLOBAL COMPETENCY CERTIFICATE

Recognizing future global leaders

When you graduate from TRU, we want you to launch your career with a resumé full of the relevant learning experience that today’s employers value. Global Competency gives you just that—documented evidence of the knowledge, skills and attitudes of a globally-minded citizen.

Global Competency is a credential that can be earned in tandem with any credit program—undergraduate or graduate—offered by TRU. The program uses a portfolio approach that allows each student to track a number of different educational and personal experiences.

Post-Baccalaureate Diploma in Human Resource Management

Living with a host family has helped me adapt and learn more about the Canadian culture. I love traveling, camping and fishing with my host family and I feel comfortable talking to them. They are always supportive and willing to help in anything they can. I definitely feel like part of their family!

Homestay: Live with a Canadian family

Managed by TRU World staff, TRU’s homestay program is a great way to experience Canadian culture and practice English by living with local families or individuals. More than 450 carefully selected Canadian homestay providers are in this program. Students get a private, furnished bedroom, three meals a day (and snacks) and a chance to live as part of a Canadian family while sharing their own culture.

Cost is approximately $875 per month, including meals.

*Rates are for the 2020/21 year and are subject to change without notice. Floor plans may slightly differ from room to room.
WILLIAMS LAKE CAMPUS

Williams Lake is a long-time ranching and farming community with an economy based on area resources such as forestry and mining. TRU Williams Lake has the only ranching program in BC, which focuses on regenerative agriculture.

About 36,000 people live in the city and surrounding region, where the cost of living is low and people know their neighbours. Williams Lake has an expanding hospital and extended-care homes, so there is a demand for university-trained healthcare workers.

The campus boasts small class sizes, usually between 15 and 20 students, depending on the program. There are benefits to such an intimate educational setting; faculty get to know their students and the campus is safe, friendly and close knit.

Visit our website for an accommodation list near campus. TRU Williams Lake is located in a residential area and there is housing within walking distance of campus.

Students can expect to pay between $700 and $1,000 per month for rent. There are buses, but they don’t run as regularly as bus systems in larger centres, so most residents rely on cars for transportation.

For more information, visit tru.ca/williamslake

MAJEEED NASHIRU
GHANA

Growing up in Ghana, West Africa, I saw an opportunity for agriculture to raise the population’s standard of living. Seeking an effective approach to making a difference in the world, I’ve completed my first year of TRU’s Applied Sustainable Ranching two-year program and already feel confident managing a farm.

DISTANCE EDUCATION

Learn wherever you are

As BC’s leading online and distance education provider, TRU Open Learning offers over 55 programs and 500 courses. More than 17,000 TRU students study online or by distance.

Open Learning gives you more options and flexibility in your schedule. You can complete some courses before you arrive to study on campus, saving you time and money.

While on campus, you can take blended studies combining in-class and online Open Learning courses. You can enroll in Open Learning courses at any time and complete them as your schedule allows. This allows you to maintain a flexible schedule while still getting credit for courses that count toward your full degree.

Let the cars do the talking

Dr. Ning Lu, Assistant professor
Computer Science

We’re 10 years from 100% of vehicles communicating through the Internet of Vehicles—Dr. Ning Lu predicts—but basic foundations must be established. Lu’s research project, Real-Time Scheduling of Internet of Vehicles, is supported by an NSERC Discovery Grant and begins with developing algorithms to improve energy conservation, traffic control, transportation scheduling and safety.

Civil liberties and online commentary

Dr. Daphne Jeyapal, Assistant professor, Social Work

How does Canada manage the tension between national security and maintaining civil liberties? It’s a question Dr. Daphne Jeyapal will spend the next two years trying to answer through her SSHRC-funded project, Anti-terrorism or anti-activism? Examining public and policy discourses on Canada’s Anti-Terrorism Act (2015) and its implications for transnational resistance.

Prehension Contention

Dr. Jenni Karl, Assistant professor, Psychology

Dr. Jenni Karl’s research aims to rewrite the story of how humans acquired the ability to perform skilled hand movements, a story that’s been widely accepted for more than 30 years. Scientists have long believed that vision was central to a human’s ability to reach and grasp objects, whereas Karl’s research finds that touch plays a vital role.

Visiting research students

TRU places a high priority on providing undergraduate and graduate research opportunities for students. Inquiry-based and creative learning are recognized as academic foundations in the Academic Plan. No matter what your discipline, there are opportunities at TRU for you to engage in independent research and artistic inquiry. TRU professors are committed to mentoring and helping you meet your research goals.
SHORT-TERM STUDIES

Language and Culture Transition Program

We have added six enhanced sessions to our three-week language and culture program to meet the needs of international students starting academic programs in September. The focus of these sessions is to prepare students to achieve the best possible scores on the Accuplacer test and to learn practical ideas for making your study time at TRU as efficient as possible.

August 9 – 27, 2021, $2,400 CAD

English for Specific Purposes

We provide programs in English for Specific Purposes (ESP) that are intensive in nature and target the precise vocabulary and expressions required by the participants. The result is more efficient and effective communication in professional contexts.

Professional Development for Educators

Our professional development programs are designed to introduce participants to the latest developments in the theory and practice of education. Cutting-edge advancements pertaining to universal themes such as classroom instruction, integration of technology, and student assessment are presented in interactive workshop formats.
INTERNATIONAL PARTNERSHIPS

TRU’s transnational education and study abroad programs offer students unique and exciting ways to gain global experience and earn TRU credits with a wide range of partner institutions.

TRANSNATIONAL PROGRAMS

Study a TRU program at your home institution
TRU works with partner institutions to deliver our programs in partners’ home countries. Over 700 students are currently enrolled in TRU adventure, business and computing science programs in China, Iceland and India.

Articulation Program
Transfer your credits towards a degree at TRU
Students can transfer credits earned at partner institutions towards TRU arts, business, computing science, education, science, technology and tourism programs.

Pathway Program
Transition from preparatory studies to TRU
TRU partners with high schools and English language schools in Canada and abroad so qualified students can complete their preparatory studies, then transition to university studies at TRU.

Visiting Student Program
Study part of your program in Canada for credits
TRU has partnered with other institutions worldwide to offer a Visiting Student Program which provides students with a study opportunity in Canada. All courses taken at TRU will be counted towards university credits at the student’s home institution, based on the agreement between TRU and the partner institution. Students will receive a certificate of completion at TRU and academic electives completed are eligible to receive credits from TRU.

STUDY ABROAD PROGRAMS

Expand your study at TRU
Don’t be limited to just completing your degree in Canada. Expand your experience by participating in one of TRU’s many international mobility opportunities.

Student Exchange
International students may choose from a list of partner institutions to study for one or two semesters in another country. Tuition is paid to TRU and credits are applied towards your TRU degree.

Short-Term Summer Exchange Programs
If you’re not sure about a full semester abroad, consider an all-inclusive short-term summer program, with a partner institution: 2-4 weeks in length. All while earning credit towards your TRU degree.

International Field Schools
TRU provides a range of exciting and specialized faculty-led field-schools, taking learning beyond the classroom earning credits while exploring the world.

### Bachelor of Science in Nursing

TRU’s School of Nursing instructors have supported me throughout the program, which has been a difficult journey at times. The faculty are always looking for opportunities for students to practice skills and apply their knowledge in clinical settings, helping us to better retain course material.

### Bachelor of Arts, Major in Psychology

The time I’ve spent at TRU has been the best. I’ve met amazing people that, even though I’m far from home and my family, always make me feel good and at home. TRU has also given me many opportunities to discover who I am and want to be through activities, events, classes, programs and so many other things that enhance daily my university experience. TRU is, with no doubt, where I belong.

### Computing Science Diploma

The Career Education Department was of great help to me. They helped me with everything career-related, from improving my résumé to developing my skills, especially my communication and networking skills. They work really hard to help students succeed professionally.

While still completing my co-op requirements, I received a call for my first interview in the program, with Trimble. I was nervous and wasn’t very confident with my communication skills. But my co-op supervisor gave me the support I needed to succeed.

### Master of Education

TRU’s Master of Education program has a flexible structure that allows you to focus on your interests in the field. While you’ll learn how to do a teaching job in your Bachelor of Education, the Master of Education teaches you how to reflect and improve to sustain learning and growth.

### Master of Business Administration

TRU’s Master of Business Administration program not only provides expertise in your field of study, but faculty members also prepare you to enter the professional world by helping to perfect your application documents. TRU’s MBA program exceeded all my expectations.
I came to TRU for a degree but got so much more. I made amazing friends in a picturesque city, worked on a United Nations agency project, got involved with student governance and was a student club leader. TRU offers unparalleled resources and services for its students to thrive.

Choosing TRU to take the Visual Arts Program has been one of the best decisions I've ever made. It offers academic resources, facilities, and the support I need as I learn more about arts and media. I've also met friends from different parts of the world and got to learn so much about multicultural diversity, which in my opinion, is what makes TRU one of a kind!

Choosing TRU for my post-baccalaureate diploma has been a great experience. It's very welcoming and I've felt at-home here since the first day. I've met people from all over the world, enjoyed breathtaking views every day, and am inspired to succeed both academically and personally.

Moving away from home to a new city can be scary, but I was welcomed at TRU with warm smiles and open arms. I've had the opportunity to explore topics beyond my major and participate in numerous activities. I'm encouraged to embrace my diversity while learning from other cultural perspectives.

I'd like to launch my own start-up in the near future and I'm confident TRU's MBA program will help me reach this goal. The MBA faculty are highly skilled, and the program has supplied me with the academic background, experience and leadership skills to succeed in our ever-changing world.

Bachelor of Science, Animal Biology

Moving away from home to a new city can be scary, but I was welcomed at TRU with warm smiles and open arms. I've had the opportunity to explore topics beyond my major and participate in numerous activities. I'm encouraged to embrace my diversity while learning from other cultural perspectives.

INTERNATIONAL ACCREDITATIONS AND TRANSFER CREDIT

International Baccalaureate (IB)
The IB diploma is accepted for admission to TRU. Transfer credit will be granted for higher level courses completed with a score of 5 or higher. Students have the option to decline the transfer credit if they wish to complete the course(s) at the university.

To transfer credits to arts, business or science, you must have:
- Official IB transcript (sent to International Admissions office directly from the testing centre)
- Higher learning courses only
- Grade of 5, 6 or 7

Advanced Placement (AP)
AP exams will be accepted for admission to TRU. Official transcripts must be provided from the College Board. To transfer credits you must have:
- Official AP transcript
- Grade of 4 or 5

General Certificate of Educational Studies (GCE)
Students completing their GCE will be considered for admission based on different factors. For admission to TRU you will need:
- A minimum of two Advanced (A) level courses and two Advanced Subsidiary (AS) level courses or
- A minimum of two A-level courses and three Ordinary (O) level subjects
- Completion of O levels (university preparation courses will need to be completed at TRU)
- Math and English A Level competition is required. Otherwise University Preparation or upgrade will be required where applicable.

GCE Advanced level (A-level exams)
Transfer credit to arts, science, or business programs are available for approved A-level courses with a passing grade of A or B. To transfer credits, you must provide official GCE transcripts of A-level courses.

General Education Development (GED) test
GED is an accepted high-school equivalent for admission to TRU under the following conditions:
- Must be 17 years of age
- Will need IELTS score
- Will need to take Accuplacer math assessment at TRU

SCHOLARSHIPS

For more information visit truworld.ca/scholarships

International athletic Scholarships
Considered for students qualifying for one of TRU’s varsity sports teams.

Engineering Scholarships
International students accepted and enrolled in TRU’s two-year engineering transfer program will be considered.

TRU Law International Student Award
An award of $5,000 CAD per student is available to all qualified international students enrolled in the Juris Doctor program.

Jorge Campos Award for Mexican citizens
This scholarship is open only to Mexican citizens currently enrolled in a full-time program of studies in Mexico.

Scholarships for US Citizens
US citizens admitted to a TRU undergraduate program of two years or longer are eligible for an automatic scholarship of $2,000 CAD per student.

Diversity Scholarships
TRU offers global diversity scholarships to new international students that demonstrate excellent academics and are from countries that are underrepresented on campus. To be considered, students should meet one of the following: 3.0 GPA or 6.5 IELTS or 88 TOEFL iBT.

Scholarships for Residents of the Bahamas and Caribbean
Students from the Bahamas entering an undergraduate program in the Faculty of Adventure, Culinary Arts and Tourism or the School of Business and Economics will automatically be considered to receive a $7,500 CAD award. One student is selected each year.

International Social Media Ambassador awards
A limited number of awards are available for international and Canadian students interested in promoting TRU globally as a study destination.

Academic Excellence Award
To be considered, students must have a minimum GPA of 86% (A) during last year of high school/college/university.

Exceptional Student Award
To be considered, students must have a minimum GPA of 80% (A-) during last year of high school/college/university and gain direct entry to academic studies (IELTS 6.5+).
ENGLISH LANGUAGE UPGRADES AND U-PREP

TRU offers English as a Second Language (ESL) and University preparation (U-prep). Our ESL program provides quality language training for students who plan to go on to post-secondary study, focusing on English for academic purposes.

Each of the five levels of TRU’s ESL program take one semester to complete. Students with no official test score will take an English Placement Test (EPT) upon arrival at TRU and will be placed in the appropriate level of English language study as indicated in the chart below. Students with an official test score can enter ESL or academic courses without taking the TRU EPT. Please refer to the chart for entry levels.

**Note:** To secure registration for the courses you need, please submit your English test scores two months before arriving at TRU.

Academic requirements

- Secondary school completion (high school graduation)
- Transcripts from all previous post-secondary institutions (if applicable)
- Other requirements vary by program.
- For detailed requirements, please refer to pages 24–36
- For English requirements and exemptions, go to tru.ca/englishrequirements

The TRU Advantage

1. English Placement Test (EPT) available
2. IELTS and TOEFL scores are accepted
3. Academic ESL designed for university preparation
4. Can combine ESL and academic courses for credit in Levels 4 and 5
5. 20 hours of classroom instruction per week
6. Language labs and activities

We accept more test results, for more details visit tru.ca/esl

### Bachelor of Science

Enjoy both depth and breadth in your science education. The rigorous BSc program offers opportunities for practical experience, co-op, undergraduate research and mentorship by internationally recognized faculty researchers across a spectrum of disciplines.

**Majors:** Animal Biology, Biology, Cellular, Chemical Biology, Chemistry, Computing Science, Computing Science & Mathematics, Ecology & Environmental Biology, Environmental Chemistry, General Science, Mathematics, Mathematics & Economics, Mathematical Sciences, Molecular & Microbial Biology, Physics, Pre-professional Health Science

**Minors:** Environmental Economics & Sustainability, Management

[truc.ca/bsc](http://truc.ca/bsc)

### Bachelor of Engineering in Software Engineering

If you want to be a professional with the technical knowledge and skills to design, develop, test and maintain problem-solving software by applying systematic engineering principles, a software engineering degree from Thompson Rivers University is the right choice. It’s not just a degree. It’s a commitment and career-focused passion that leads to high-quality software development to serve the needs of humanity and to make life better for many. Join the fastest growing and in-demand profession to be part of teams producing software-enabled products of high technical complexity.

[truc.ca/se](http://truc.ca/se)

### Bachelor of Natural Resource Science

Gain a broad and in-depth understanding of natural resources, including not only biology, ecology and scientific method, but sector-specific resource management for forestry, fisheries, range and recreation. The BNRS program provides hands-on learning in the field and opportunities for undergraduate research and study abroad.

**Minor:** Environmental Economics & Sustainable Development

[truc.ca/bnrs](http://truc.ca/bnrs)

### Computing Science Diploma

Become proficient in the application of computers to solving business-related problems. Develop your technical and computer skills in combination with communication and business skills. Your diploma credits count towards completion of the Bachelor of Computing Science degree.

[truc.ca/compsci](http://truc.ca/compsci)

### Architectural & Engineering Technology Diploma (ARET)

This nationally accredited program is a three-year diploma that emphasizes the design processes in building, civil and mechanical technologies, building structures, municipal services, electrical, plumbing and HVAC systems.

[truc.ca/aret](http://truc.ca/aret)
### Engineering Transfer (Year 1)
Get started on your engineering degree at TRU by taking one year of general study courses that are common to all engineering disciplines. This program transfers into the second year of a full engineering program at either the University of British Columbia or the University of Victoria, or stay at TRU to complete Year 2, Electrical or Computer for entry into third year at UVic.

### Applied Sustainable Ranching
Students will gain the expertise to build sustainable ranching enterprises in BC and apply that expertise to any agriculture enterprise in any region. Learn about carbon-neutral ranching and land management practices with a focus on innovation, reducing stress on livestock and financial and environmental sustainability. During this program, students live with a host ranch family and gain hands on skills and work experience concurrently with their academic studies. Come and experience Canadian ranching in the Cariboo region of Canada.

TRU Refund Rules

Students should familiarize themselves with TRU’s refund rules prior to submitting payment for their studies. All new international applicants to TRU should be aware that their first semester tuition fees are non-refundable and non-transferable. After receiving the Letter of Acceptance the applicant is expected to begin their studies at TRU.

Students withdrawing due to a failure to obtain a student permit prior to arrival at TRU will be entitled to a full refund of tuition and general fees invoiced less a $200 CAD administration fee. Students must notify TRU in writing and provide documentation prior to the start of the semester. Processing time may take up to 8 weeks.

New students who wish to defer the start of their first semester of study to a future semester may do so only once and up to a maximum of one calendar year.
