KAMLOOPS. A UNIQUE LOCATION

Our picturesque campus is in the heart of Kamloops, BC, where it overlooks the meeting of the North and South Thompson rivers. Kamloops is home to 100,000 friendly residents and is rich with sporting and cultural events as well as boasting four seasons of outdoor adventures.

This region is part of the traditional lands of the Tk’emlúps te Secwépemc Indigenous people and spans grasslands, pine forests, lakes and mountains. Their presence and history contributes to the diversity that influences TRU’s campus.

You’ll discover parks, museums, art galleries, year-round outdoor activities, shopping, movies, theatre and even vineyards. Kamloops is also home to numerous churches, a mosque, Sikh temples and a Buddhist monastery.

SPORTS, RECREATION & ACTIVITIES

TRU’s Kamloops campus is right next to the City of Kamloops’ top-notch athletic facilities in the Tournament Capital Centre (TCC) sports complex, where there’s an Olympic-length swimming pool, indoor and outdoor tracks and numerous recreation spaces. Access to TCC’s Aquatic Centre is included in TRU’s student fees and all TRU students receive 50% off additional usage fees.

Off-campus sports

Kamloops, the Tournament Capital of Canada, has top-level coaching and club competition in many different sports including figure skating, football, gymnastics, rowing, rugby, swimming and skiing. Students interested in competitive/club sports can attend TRU while pursuing their sport off campus.

Varsity athletics

The WolfPack have 10 Varsity teams: eight of them compete in U SPORTS/Canada West which is the highest level of university sports in Canada. Those sports are men’s and women’s soccer, basketball and volleyball along with co-ed swimming and cross country running.

The other two varsity sports are competitive cheerleading and baseball. In 2018-19, the men’s soccer team won a bronze medal in their conference (Canada West), both volleyball teams made the playoffs, the baseball team won their league (Canadian Collegiate Baseball Conference) regular season title and the cheerleaders won an ‘berth’ to the 2020 International Cheerleading championships in Orlando, Florida.

TRU has always had a strong international contingent of student/athletes. Countries represented this past season included athletes from England, France, Spain, Australia, Germany, Belgium and the Ukraine.

For more information contact the individual coaches. Their email addresses are found on the athletics website:gowolfpack.ca

CO-OPERATIVE EDUCATION

Co-operative education combines academic studies with paid work experience. Students alternate between terms of full-time study and full-time employment.

Why co-op?

- Get paid for career-related work experience while studying
- Earn academic credits and transcript distinction
- Maximize job opportunities upon graduation
- Choose from co-op placements in Kamloops and across Canada
- TRU co-op office prepares students for interviews and job placements
- Choose to work up to four semesters

Students can receive academic credit for co-op work terms.

Minimum Wage in British Columbia

Employees must be paid at least minimum wage per hour, which is $13.85 an hour (as of June 1, 2019), and increasing to $14.60 an hour (June 2020), and $15.20 an hour (June 2021).

GLOBAL COMPETENCY CERTIFICATE

Recognizing future global leaders

When you graduate from TRU, we want you to launch your career with a resumé full of the relevant learning experience that today’s employers value. Global Competency gives you just that—documented evidence of the knowledge, skills and attitudes of a globally-minded citizen.

Global Competency is a credential that can be earned in tandem with any credit program—undergraduate or graduate—offered by TRU. The program uses a portfolio approach that allows each student to track a number of different educational and personal experiences.

For more information, visit tru.ca/global

How do I earn it?

To earn this credential, a student must complete only four steps:

- Attend an orientation session
- Sign up for GLBL 1000
- Earn and compile points
- Submit a portfolio to the Centre for Student Engagement office OM 1468

For more details visit tru.ca/cel/experience-learning

WILLIAMS LAKE CAMPUS

Williams Lake is a long-time ranching and farming community with an economy based on area resources such as forestry and mining. TRU Williams Lake has the only ranching program in BC, which focuses on regenerative agriculture.

About 36,000 people live in the city and surrounding region, where the cost of living is low and people know their neighbours. Williams Lake has an expanding hospital and extended-care homes, so there is a demand for university-trained healthcare workers.

The campus boasts small class sizes, usually between 15 and 20 students, depending on the program. There are benefits to such an intimate educational setting: faculty get to know their students and the campus is safe, friendly and close knit.

Visit our website for an accommodation list near campus. TRU Williams Lake is located in a residential area and there is housing within walking distance of campus.

Students can expect to pay between $700 and $1,000 per month for rent. There are buses, but they don’t run as regularly as bus systems in larger centres, so most residents rely on cars for transportation.

For more information, visit tru.ca/williamslake

DISTANCE EDUCATION

Learn wherever you are

As BC’s leading online and distance education provider, TRU Open Learning offers over 55 programs and 500 courses. More than 17,000 TRU students study online or by distance.

Open Learning gives you more options and flexibility in your schedule. You can complete some courses before you arrive to study on campus, saving you time and money.

While on campus, you can take blended studies combining in-class and online Open Learning courses. You can enroll in Open Learning courses at any time and complete them as your schedule allows. This allows you to maintain a flexible schedule while still getting credit for courses that count toward your full degree.

Let the cars do the talking

Dr. Ning Lu, Assistant professor
Computer Science

We’re 10 years from 100% of vehicles communicating through the Internet of Vehicles—Dr. Ning Lu predicts—but basic foundations must be established. Lu’s research project, Real-Time Scheduling of Internet of Vehicles, is supported by an NSERC Discovery Grant and begins with developing algorithms to improve energy conservation, traffic control, transportation scheduling and safety.

Civil liberties and online commentary

Dr. Daphne Jeyapal, Assistant professor, Social Work

How does Canada manage the tension between national security and maintaining civil liberties? It’s a question Dr. Daphne Jeyapal will spend the next two years trying to answer through her SSHRC-funded project, Anti-terrorism or anti-activism? Examining public and policy discourses on Canada’s Anti-Terrorism Act (2015) and its implications for transnational resistance.

Prehension Contention

Dr. Jenni Karl, Assistant professor, Psychology

Dr. Jenni Karl’s research aims to rewrite the story of how humans acquired the ability to perform skilled hand movements, a story that’s been widely accepted for more than 30 years. Scientists have long believed that vision was central to a human’s ability to reach and grasp objects, whereas Karl’s research finds that touch plays a vital role.

Visiting research students

TRU places a high priority on providing undergraduate and graduate research opportunities for students. Inquiry-based and creative learning are recognized as academic foundations in the Academic Plan. No matter what your discipline, there are opportunities at TRU for you to engage in independent research and artistic inquiry. TRU professors are committed to mentoring and helping you meet your research goals.
SHORT-TERM STUDIES

For more than 25 years, TRU has delivered some of the best customized learning experiences in the world. Each year, hundreds of students from around the world study in our short-term programs. Students like our instructors, our small class sizes, and the fun activities they take part in. We believe you’ll enjoy our highly motivating and dynamic programs!

All programs include:

• Homestay accommodation (including meals)
• All recreational and cultural activities
• Airport pick-up and drop-off
• TRU campus and city orientation
• Support from advisors and instructors

Language and Culture Open Programs

Meeting the needs of hundreds of enthusiastic learners from around the world each year, our open programs form the cornerstone of our programs and are open to individuals as well as large and small groups. A collection of curated cultural and recreational activities are woven into each program and ample time is reserved for level appropriate English language classroom instruction. The result is a highly motivating and dynamic program that will increase your cultural knowledge and language proficiency, while providing a more informed world view.

You can choose to study one of the electives listed below.

• Applied English
• Healthy Choices
• STEM Skills
• Study Skills
• Workplace English

Language and Culture Transition Program

We have added six enhanced sessions to our three-week language and culture program to meet the needs of international students starting academic programs in September. The focus of these sessions is to prepare students to achieve the best possible scores on the Accuplacer test and to learn practical ideas for making your study time at TRU as efficient as possible.

August 4 – 21, 2020, $2,400 CAD

English for Specific Purposes

We provide programs in English for Specific Purposes (ESP) that are intensive in nature and target the precise vocabulary and expressions required by the participants. The result is more efficient and effective communication in professional contexts.

Professional Development for Educators

Our professional development programs are designed to introduce participants to the latest developments in the theory and practice of education. Cutting-edge advancements pertaining to universal themes such as classroom instruction, integration of technology, and student assessment are presented in interactive workshop formats.
INTERNATIONAL PARTNERSHIPS

TRU’s transnational education and study abroad programs offer students unique and exciting ways to gain global experience and earn TRU credits with a wide range of partner institutions.

TRANSNATIONAL PROGRAMS

Study a TRU program at your home institution
TRU works with partner institutions to deliver our programs in partners’ home countries. Over 700 students are currently enrolled in TRU adventure, business and computing science programs in China, Iceland and India.

Articulation Program
Transfer your credits towards a degree at TRU
Students can transfer credits earned at partner institutions towards TRU arts, business, computing science, education, science, technology and tourism programs.

Pathway Program
Transition from preparatory studies to TRU
TRU partners with high schools and English language schools in Canada and abroad so qualified students can complete their preparatory studies, then transition to university studies at TRU.

Visiting Student Program
Study part of your program in Canada for credits
TRU has partnered with other institutions worldwide to offer a Visiting Student Program which provides students with a study opportunity in Canada. All courses taken at TRU will be counted towards university credits at the student’s home institution, based on the agreement between TRU and the partner institution. Students will receive a certificate of completion at TRU and academic electives completed are eligible to receive credits from TRU.

Find out more at truworld.ca/partner-institutions

STUDY ABROAD PROGRAMS

Expand your study at TRU
Don’t be limited to just completing your degree in Canada. Expand your experience by participating in one of TRU’s many international mobility opportunities.

Student Exchange
International students may choose from a list of partner institutions to study for one or two semesters in another country. Tuition is paid to TRU and credits are applied towards your TRU degree.

Short-Term Summer Programs
If you’re not sure about a full semester abroad, consider an all-inclusive short-term summer program, with a partner institution: 2-4 weeks in length. All while earning credit towards your TRU degree.

International Field Schools
TRU provides a range of exciting and specialized faculty-led field-schools, taking learning beyond the classroom earning credits while exploring the world.

INTERNATIONAL ACCREDITATIONS AND TRANSFER CREDIT

International Baccalaureate (IB)
The IB diploma is accepted for admission to TRU. Transfer credit will be granted for higher level courses completed with a score of 5 or higher. Students have the option to decline the transfer credit if they wish to complete the course(s) at the university.

To transfer credits to arts, business or science, you must have:

- Official IB transcript (sent to International Admissions office directly from the testing centre)
- Higher learning courses only
- Grade of 5, 6 or 7

General Certificate of Educational Studies (GCE)
Students completing their GCE will be considered for admission based on different factors. For admission to TRU you will need:

- A minimum of two Advanced (A) level courses and two Advanced Subsidiary (AS) level courses or
- A minimum of two A-level courses and three Ordinary (O) level subjects
- Completion of O levels (university preparation courses will need to be completed at TRU)
- Math and English A Level competition is required. Otherwise University Preparation or upgrade will be required where applicable.

Advanced Placement (AP)
AP exams will be accepted for admission to TRU. Official transcripts must be provided from the College Board. To transfer credits you must have:

- Official AP transcript
- Grade of 4 or 5

General Education Development (GED) test
GED is an accepted high-school equivalent for admission to TRU under the following conditions:

- Must be 17 years of age
- Will need IELTS score
- Will need to take Accuplacer math assessment at TRU

Transfer credit
If you have completed courses at another recognized post-secondary institution, you may be able to transfer those courses to TRU. You will need to indicate your intention to apply for transfer credits on your application form. You must provide original transcripts or attested copies from the respective Registrar and course outlines (syllabus) at least four months prior to your arrival at TRU, otherwise you may not be eligible for transfer credit in your first semester. Transcripts and course outlines must be officially translated into English.

SCHOLARSHIPS

International athletic Scholarships
Considered for students qualifying for one of TRU’s varsity sports teams.

Engineering Scholarships
International students accepted and enrolled in TRU’s two-year engineering transfer program will be considered.

TRU Law International Student Award
An award of $5,000 CAD per student is available to all qualified international students enrolled in the Juris Doctor program.

Jorge Campos Award for Mexican citizens
This scholarship is open only to Mexican citizens currently enrolled in a full-time program of studies in Mexico.

Scholarships for US Citizens
US citizens admitted to a TRU undergraduate program of two years or longer are eligible for an automatic scholarship of $2,000 CAD per student.

Diversity Scholarships
TRU offers global diversity scholarships to new international students that demonstrate excellent academics and are from countries that are underrepresented on campus. To be considered, students should meet one of the following: 3.0 GPA or 6.5 IELTS or 88 TOEFL iBT.

Scholarships for Residents of the Bahamas and Caribbean
Students from the Bahamas entering an undergraduate program in the Faculty of Adventure, Culinary Arts and Tourism or the School of Business and Economics will automatically be considered to receive a $7,500 CAD award. One student is selected each year.

International Social Media Ambassador awards
A limited number of awards are available for international and Canadian students interested in promoting TRU globally as a study destination.

Academic Excellence Award
To be considered, students must have a minimum GPA of 86% (A) during last year of high school/college/university.

Exceptional Student Award
To be considered, students must have a minimum GPA of 80% (A+) during last year of high school/college/university and gain direct entry to academic studies (IELTS 6.5+).
ENGLISH LANGUAGE UPGRADES AND U-PREP

TRU offers English as a Second Language (ESL) and University preparation (U-prep). Our ESL program provides quality language training for students who plan to go on to post-secondary study, focusing on English for academic purposes.

Each of the five levels of TRU’s ESL program take one semester to complete. Students with no official test score will take an English Placement Test (EPT) upon arrival at TRU and will be placed in the appropriate level of English language study as indicated in the chart below. Students with an official test score can enter ESL or academic courses without taking the TRU EPT. Please refer to the chart for entry levels.

Note: To secure registration for the courses you need, please submit your English test scores two months before arriving at TRU.

Academic requirements

- Secondary school completion (high school graduation)
- Transcripts from all previous post-secondary institutions (if applicable)
- Other requirements vary by program.
- For detailed requirements, please refer to pages 22–36 or go to tru.ca/programs

### Diplomas: Upgrading available while in the program.
Bachelor of Science in Nursing
TRU’s School of Nursing instructors have supported me throughout the program, which has been a difficult journey at times. The faculty are always looking for opportunities for students to practice skills and apply their knowledge in clinical settings, helping us to better retain course material.

Bachelor of Business Administration, Major in Marketing
Bachelor of Arts, Major in Psychology
The time I’ve spent at TRU has been the best. I’ve met amazing people that, even though I’m far from home and my family, always make me feel good and at home. TRU has also given me many opportunities to discover who I am and want to be through activities, events, classes, programs and so many other things that enhance daily my university experience. TRU is, with no doubt, where I belong.

Computing Science Diploma
The Career Education Department was of great help to me. They helped me with everything career-related, from improving my résumé to developing my skills, especially my communication and networking skills. They work really hard to help students succeed professionally.

While still completing my co-op requirements, I received a call for my first interview in the program, with Trimble. I was nervous and wasn’t very confident with my communication skills. But my co-op supervisor gave me the support I needed to succeed.

Visual Arts Diploma

Choosing TRU to take the Visual Arts Program has been one of the best decisions I’ve ever made. It offers academic resources, facilities, and the support I need as I learn more about arts and media. I’ve also met friends from different parts of the world and got to learn so much about multicultural diversity, which in my opinion, is what makes TRU one of a kind!

1. **Participate in International Orientation**
2. **Attend Classes** & make friends
3. **Join clubs**
4. **Work part-time** while studying
5. **Do a co-op semester**
6. **Become a peer mentor**
7. **Study a semester abroad**
8. **Finish program**
9. **Attend convocation**
10. **This is the beginning of anything you want!**
## HEALTH SCIENCES & NURSING

### Master of Nursing
The MN program offers nursing graduates the knowledge, skills and abilities they need for principled and thoughtful leadership through critical and creative approaches that influence innovative change. Graduates will be equipped to meet the demand for advanced nursing roles within complex and dynamic health care systems internationally.

**Minimum Requirements**
- Any bachelor’s degree, bachelor of nursing recommended
- Min GPA 3.0 on scale of 4.0 in last 60 credits
- Introductory Statistics 12 (or equivalent) C+
- Two letters of reference (one academic and one professional)
- Verification of registration as an active practicing nurse from the regulatory body of the jurisdiction where you live
- A minimum IELTS score of 7.0: Speaking 7.0, Writing 7.0, Listening 7.5, Reading 6.5

**Sample Jobs**
- Research Nurse
- Nurse Educator
- Health Care Administrator

**Sample Courses**
- Knowledge for Advanced Nursing
- Research in Healthcare
- Leadership and Managing Change in Healthcare

### Bachelor of Health Science (Respiratory Therapy dual credential)
Expand your career options as a respiratory therapist. Graduate with both a three-year Respiratory Therapy diploma and a BHS degree within a four-year period in the dual diploma/degree stream. The first year is the same for both the RT diploma and dual credential.

truc.ca/rt

**Minimum Requirements**
- All English 12 (73%), or IELTS 6.5, or equivalent
- Foundations of Math 12 or Pre-Calculus 12 (67%), or equivalent
- Biology 12 (67%), or equivalent
- Chemistry 12 (67%), or equivalent
- Physics 11 (67%), or equivalent

**Sample Jobs**
- Respiratory Therapist
- Public Health Specialist
- Anesthesiologist
- Health Sciences Researcher

**Sample Courses**
- Blood Gas Analysis
- Pulmonary Function
- Perinatal and Pediatric Respiratory Care
- Instrumentation

### Bachelor of Science in Nursing
This four-year degree program (plus practicum placements) educates students to be competent nurses to work with individuals, families, groups or communities from a health promotion perspective and an ethic of caring. Practice experience occurs in acute care, extended care and intermediate care hospitals, and other community health agencies and homes with options for local, regional, provincial, national and international practicums. Upon completion, graduates are eligible to write the National Council Licensure Examination (NCLEX) and apply for registration with the College of Licensed Practical Nurses of BC (CRNPC) to practice as a Registered Nurse (RN).

### Applied Sustainable Ranching

Students will gain the expertise to build sustainable ranching enterprises in BC and apply that expertise to any agriculture enterprise in any region. Learn about carbon-neutral ranching and land management practices with a focus on innovation, reducing stress on livestock and financial and environmental sustainability. During this program, students live with a host ranch family and gain hands on skills and work experience concurrently with their academic studies. Come and experience Canadian ranching in the Cariboo region of Canada.

**tru.ca/ranching**

- All English 12, or IELTS 6.5, or equivalent
- A good working knowledge of Microsoft Word and Excel
- Two letters of reference

**Competitive admission**

**Application Deadline**

- Commercial Account Manager
- Economic Development Officer
- Community Development Consultant
- Agriculture Producer or Entrepreneur

**Business Strategy**

- Agriculture Marketing
- Riparian Management
- Range Ecology
- Stockmanship
- Enterprise Diversification
- Beef Production
- Sheep Production
- Agri-tourism

"The people who work in trades build Canada. They build our homes, build our offices and ensure that our water is clean and safe," said Prime Minister Trudeau, adding, "With investments like the one we made here at TRU, our goal is to ensure the next generation of men and women have the tools, training and knowledge to build a better Canada for all Canadians."

— Prime Minister Justin Trudeau
