

Vincent LI

GOVERNOR

Vincent Li - staying TRU to what matters. I am a second-year Law student running to represent you on the Board of Governors. The Board manages the general affairs of Thompson Rivers University, everything from governance to property to finances. A student Governor needs to advocate fearlessly for the 28,544 students of this university. Without a doubt, I am the best candidate for this position because I will always put your best interests first.

My six year history of student government experience makes my enthusiasm clear. Currently, I am a representative on TRU's Student Caucus. I also sit on TRU's Senate Steering Committee. Before TRU, I was the Student Representative for my department and worked with the Science Undergraduate Society at UBC. I also founded several student-run clubs and acted as President of various others. Those are just a few of my experiences, all of which will help me best represent you on the Board of Governors.

As a student Governor, I will advocate for what matters to you. This includes critically reviewing TRU's budget and ensuring that students' money is properly used. Another issue I will raise is how TRU's land space should be managed. Finally, I will advocate for policies that consider the actual needs of students, not just what decision-makers think is best.

I look forward to serving as your next student Governor and together we will UNIFY Thompson Rivers University!
