

TRU School of Business and Economics / British Columbia Institute of Technology

Course Equivalencies

Transfer Credit Policy

- Complete at least 120 credits with a minimum of 60 credits as TRU credit. Students must also complete a minimum of 36 business credits as defined by AACSB as TRU credit. More than 120 credits may have to be taken to meet these requirements.
- Transfer credit will be determined on a course-by-course basis. Equivalent courses taken at approved two-year colleges will be awarded credit for lower level courses only. Upper level credit will be granted if a course is taken at an acceptable university. Normally, the course must be 80 percent equivalent to receive credit.
- Students must have a grade of C- or higher to receive transfer credit – non-graded (Pass/Fail, Complete) or university preparation credits will not be accepted. Transferred courses are awarded credit only and are not included in the CGPA.
- Other courses not listed in this chart may be assessed for equivalency.

	TRU BBA Lower Level Courses	Equivalent BCIT Courses
1.	MNGT 1710-3 – Introduction to Business	BUSA 1005-3 Introduction to Business or BUSA 2005-4 Principles of Management or BUSA 2100-2 Principles of Management

These electives may be from English, Chinese, Communications, Film, French, German, History, Japanese, Music, Philosophy, Spanish, Speech, Theatre, and Visual and Performing Arts. Note: Students interested in majoring in International Business in the BBA are required to complete six credits of language courses in one language area at the lower level unless exempted based on previous formal language education.
21.	General Education – Humanities (3 Credits)	
22.	General Education – Social Sciences (3 Credits)	Six credits of social sciences electives must be completed. These electives may be from Anthropology, Archeology, Canadian Studies, Economics, Geography, Political Studies, Psychology and Sociology.
23.	General Education – Social Sciences (3 Credits)	

Transfer students who decide to pursue the Accounting Major in the BBA may substitute other TRU upper-level business or economics courses for the upper-level accounting courses listed below.

ACCT 3200-3 Intermediate Financial Accounting 1
ACCT 3210-3 Intermediate Financial Accounting 2
ACCT 3220-3 Income Taxation 1
ACCT 3230-3 Income Taxation 2
ACCT 3250-3 Intermediate Management Accounting

To be allowed to do so, students must have taken an equivalent college-level course at another institution as determined by both the CPA PREP program and a separate assessment conducted by the School. Students who substitute other upper-level business or economics courses are still deemed to have met the requirements of the Accounting Major.
