

# Communicable Disease Prevention Signage Inventory

## This is an inventory of all approved safety signage related to communicable disease prevention.

The Office of Safety and Emergency Management (OSEM), with support from Facilities and the Printshop, will ensure that signage is posted in **commons and shared spaces** including main hallways, stairs, elevators, public washrooms, computer labs and bookable classrooms.

### Responsibility of units:

If units would like additional signage in their areas, orders can be submitted to the TRU Printshop.

### Ordering signage

- **All signs must be printed through the TRU Printshop.**
- There will be no cost to your unit for signage. Costs will be covered through billing codes that have already been provided to the Printshop.
- Place orders by emailing [printshop@tru.ca](mailto:printshop@tru.ca). Include:
  - Name of each item, e.g. Poster 3
  - Size of each item
  - Quantity of each item
  - Your name and the name of your unit
- *Do not include billing code*
