

# Engineering Transfer Program – Year 2 Entry

## 2018 – 2019 ADMISSION INFORMATION

### Program Description

The TRU Engineering Transfer Program (Year 2 Entry) allows students to complete their second year of Engineering studies at the TRU Kamloops campus before transferring to the University of Victoria for degree completion. During this program students will focus on electrical or computer engineering, and will study circuit analysis, digital electronics, design and test microcontroller circuits, learn to control various mechanical systems, and complete a major design project. Following completion of second year studies, students will take part in a required 4-8 month Co-op term(s).

**Intake Dates** September (Fall semester)

**Application Deadlines is March 1, 2018.** All documentation must be received by this date. Space permitting, applications may be accepted after this date. There are 20 seats available and admission is competitive based on academic performance. Meeting admission requirements does not guarantee admission.

### Admission Requirements

- Completion of first year of the Engineering Transfer Program at TRU (38 credits) or another recognized engineering transfer program, with a cumulative grade point average of 2.50.
- A minimum grade of C- or better in all courses that are part of the first year transfer program.

### How to Apply

1. **Submit your application** online at [www.tru.ca/admissions/apply](http://www.tru.ca/admissions/apply)
2. **Pay the application fee:**
  - a. \$28.68 for Canadian citizens or permanent residents
3. **Submit all post-secondary transcripts.**

### Next Steps

1. We will contact you within 2 weeks to confirm that we have received your application.
2. Use the check-list in this package to make sure you have included all the supporting documents required for the program you are applying to. All documents must be submitted by the deadline in order for your application to be considered.
3. Once we have reviewed your application and applicable supporting documents, we will notify you about the admission decision.
4. Students who have been offered a seat must pay a commitment fee of \$500 to confirm your seat.
