

THOMPSON RIVERS UNIVERSITY

Hello,

Thank you for arranging a time for a hospital tour with the RT department. To maximize the time for both you and the RT (staff, supervisor, etc.), please complete the questions below regarding the profession and the TRU-RT program. Some of these questions can be answered by going to the TRU- RT website.

Thank you for doing this. Please print, sign and date this questionnaire.

1. How did you hear about the profession?
2. What are the minimum entry requirements for the program? Do you meet these?
3. What level of education have you currently obtained (high school, 1-2 years sciences, bachelor degree, etc...)?
4. What previous work/life experience do you have that you feel may assist your transition to this profession?
5. Where is the TRU Respiratory Therapy program located?

6. What is the duration of TRU Respiratory Therapy Diploma program?

7. What is the dual credential that a student from the TRU-RT program can obtain?

8. Explain how the clinical year of the program is designed (duration, available clinical sites, etc...)?

9. What is the average salary for a starting Respiratory Therapist?
