

# 2016 TRU Learning Award

## *Emily Dundas Oke*

### Faculty of Arts

"Artist and Educator" is how Emily Dundas Oke self-identifies in her ePortfolio, although she might better be described as a learner with a passion for exploring learning pathways. From her own art making (ceramics, drawing, painting, printmaking, photography) to her academic study of both Visual Arts and Philosophy, to her volunteerism, Emily demonstrates that she is an engaged and integrative learner. She exudes enthusiasm for the various learning opportunities she has explored while studying and working at TRU and for those still on the horizon.
