

ANNOUNCING A NEW PUBLICATION

from SUNY EMPIRE STATE COLLEGE

PLA Inside-Out: A Journal of Research, Theory and Practice in Prior Learning Assessment

PLA Inside-Out, co-edited by Nan Travers, Director of Collegewide Academic Review and Alan Mandell, College Professor of Adult Learning Mentoring at SUNY Empire State College, is the first scholarly journal entirely devoted to prior learning assessment.

The goal of this electronic publication will be to help anchor PLA work as central to our thinking about teaching and learning, to support and recognize scholarly work in the field of prior learning, to provoke new ideas and experiences in PLA practices, to provide a central repository for PLA resources, and to place our PLA work in historical context.

Our inaugural advisory board will be made up of the co-editors, Ruth Goldberg, Jeffrey Lambe, Viktoria Popova-Gonci, MaryEllen Shaughnessy and Bernard Smith from Empire State College; Morris Fiddler from DePaul University, Gabrielle Dietzel from the Vermont State Colleges, and Christine Wihak from Thompson Rivers University/Prior Learning International Research Centre.

***PLA Inside-Out* will publish its first issue in May 2011. Please expect an official call for papers. We look forward to your contribution.**
