Five awards of tuition and fees **up to \$4,000** are available to students who demonstrate exceptional potential. Applicants will describe the vision of their future at TRU and how they wish to realize it. Applicants must elaborate on their past experiences and accomplishments which are indicative of their ability to unleash their untapped potential through a TRU education.

These TRU Undergraduate Entrance Awards are available to first time students who have not previously attended a college or university (other than having completed up to 12 transferable university credits on a part-time basis), and are Canadian citizens or Permanent Residents. The award will supplement tuition and fees not covered by other direct tuition grants, scholarships, and sponsorships.

This award is open to all TRU undergraduate programs.

## LET'S GET STARTED

- Letter** Submit a letter describing the vision of your future at TRU. Tell us about your past experiences and accomplishments and how they showcase your ability to unleash your potential at TRU.
- Reference** Attach at least one letter of reference.
- Transcript** Attach your current transcript (may be unofficial). The average of all my Grade 12 courses (or Grade 11 courses where a Grade 12 course is still in progress) is: \_\_\_\_\_%.
- I have already submitted a General TRU Undergraduate Entrance Scholarship application — please see that application on file for my transcript and references.
