## Scholarships

### International athletic scholarships
Considered for students qualifying for one of TRU's varsity sports teams.

### Engineering scholarships
International students accepted and enrolled in TRU's two-year engineering transfer program will be considered.

### TRU Law International Student Award
An award of $5,000 CAD per student is available to all qualified international students enrolled in the Juris Doctor program.

### Jorge Campos Award for Mexican citizens
This scholarship is open only to Mexican citizens currently enrolled in a full-time program of studies in Mexico.

### Scholarships for American students
US citizens admitted to a TRU undergraduate program of two years or longer are eligible for an automatic scholarship of $2,000 CAD per student.

### Scholarships for residents of the Bahamas and Caribbean
Students from the Bahamas entering an undergraduate program in the Faculty of Adventure, Culinary Arts and Tourism or the School of Business and Economics will automatically be considered to receive a $7,500 CAD award. One student is selected each year.

### Diversity scholarships
TRU offers global diversity scholarships to new international students that demonstrate excellent academics and are from countries that are underrepresented on campus. To be considered, students should meet one of the following: 3.0 GPA or 6.5 IELTS or 88 TOEFL iBT.

### International Social Media Ambassador awards
A limited number of awards are available for international and Canadian students interested in promoting TRU worldwide as a study destination, as part of a dedicated Ambassador team.
### HOW MUCH WILL YOUR YEARLY COSTS BE?
