

MEd Program: Textbook List for Summer 2025

Online MEd students are responsible for sourcing and ordering their own books. The following textbook titles are effective for Summer 2025.

Please note that publishers may offer several package options that include additional resource material not required in your course.

You may choose any package of your choice as long as it includes the correct author, title and edition listed for your course.

If you have any questions about obtaining the correct textbook, please email [OL Materials](#). They will be happy to assist you.
